**GENERAL INFO**

**DESIGNED FOR MAINS & RAINWATER**

**Triple Filtration and Ultraviolet All-in-One Unit with Weather Cover**

Enjoy peace of mind with safe, purified water at every outlet in the house. Designed for both mains and rainwater supply, this filter system is highly effective in eliminating bacteria and parasites in your water. Hybrid systems also reduces silt, sludge, dirt, rust, bad taste and odour giving good general purpose filtration.

**FEATURES & BENEFITS**

- Filtration and ultraviolet all-in-one unit.
- Quick and easy plug-and-play installation.
- Kills 99.9% of E. coli, Giardia and Cryptosporidium cysts with Radfire ultraviolet technology, a natural purification process that's complete eco-friendly and chemical-free.
- Turns your tank and mains water into pure, safe, delicious drinking water.
- Designed for harsh climate.
- High strength aluminium bracket for durability.
- Equipped with a lamp count-down timer and failure alarm (audible & visible).
- Anti-corrosion construction.
- Anti-tamper & child-proof lockable lid.
- Hinged lid for easy access for lamp change.

**ADDITIONAL INFORMATION**

**The Hybrid Series Kills 99.99% Of Bacteria & Parasites**

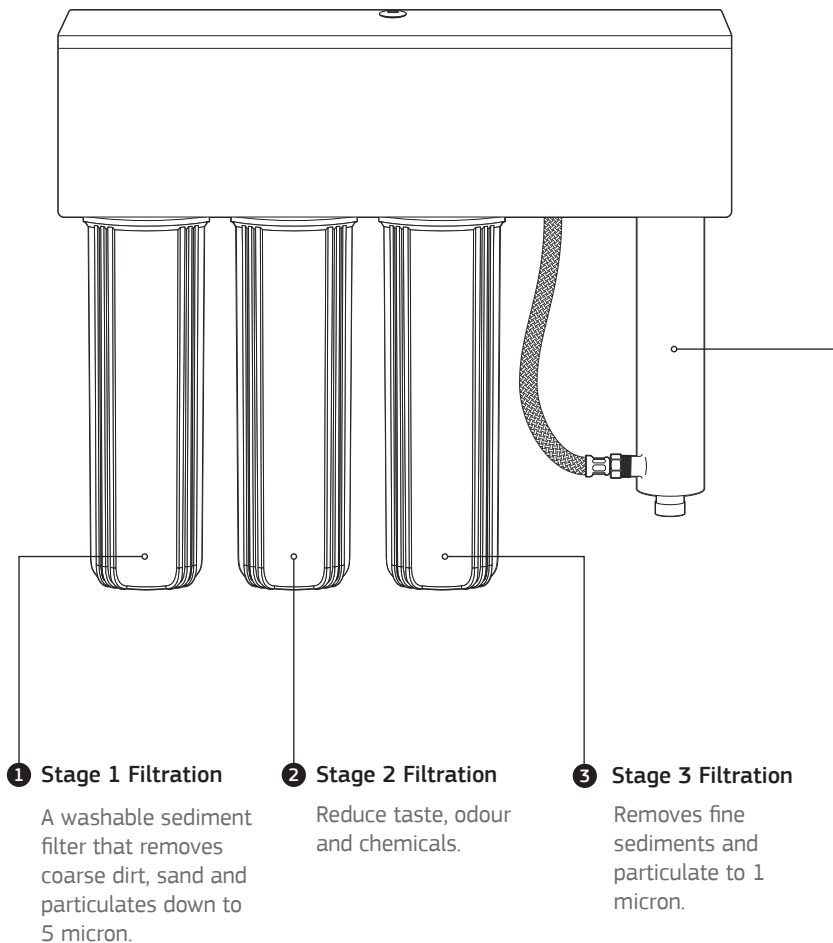

Thanks to its advanced UV technology – called Radfire™ – the Hybrid series kills 99.99% of tank water bacteria. Radfire™ is a natural water purification process, that's ecofriendly and completely chemical free. So you get safe, purified water at every outlet in the house.

**It Filters Your Water Too**

As its name suggests, the Hybrid series combines two technologies to clean your water. In addition to killing 99.99% of bacteria with UV rays, it filters out chemicals, as well as sediment and anything else that manages to pass through your rainwater tank's coarser filter. This not only makes your water taste and smell great, but also prolongs the life of your household appliances.

**Longer Filter Life**

The Hybrid series incorporates Puretec's long life filter technology, so you can go longer between filter replacements, and comes with our **3 Year Platinum Protection Warranty^**.

**Features & Benefits**

**Triple Stage Filtration with UV Protection**

Incorporates triple filtration for extra contaminant removal and capacity.

**Weather Protection**

The Hybrid G Series incorporates a weather cover for outdoor installations.

**Anti-corrosion Construction**

The durable lightweight of mounting bracket is made from coated aluminium to ensure no rusting.

**Easy Installation**

4 mounting points for quick and easy installation.

**High Strength Aluminium Hinged Lid**

Easy accessibility for lamp change.

**Neatly Concealed Control Panel**

Monitors the lamp life, failure alarm (audible & visible) and total running days of the Radfire™ UV unit.
